# CONQUELL DOUBLE 'O' DIGGERS

## "RUPERT"

Rupert is a very correctly proportioned young dog with a super head with plenty of wrinkle, but without any exaggeration that can cause health problems within this breed.

He has been doing consistently well in the show ring rarely being out of the placings at championship level, at open shows he has recently clocked up six consecutive best Puppy in Breed wins, with a Puppy group two win at a recent Premier show.

He has the most delightful gentle temperament.

He is confidently offered at stud, his first litter are due very soon
