CONQUELL BACK TO BLACK

“TUFNELL”

The baby of our boys, Tufnell has inherited his fathers correct cobby shape and his wonderfully strong masculine head ,already showing lots of wrinkle. He has extremely good eyes showing none of the extreme bulbous eyes that many of the black Pugs incorrectly have. He has exceptionally strong bone, something again that is lacking in many black pugs .

We feel he will be very useful for anyone wanting to improve their Black Pugs for strength without exaggeration.

His temperament is wonderful, he is the clown of our boys. He will be offered at stud later this year.
